Summary (See More/Complete Information link above for qualification, education, experience requirements)

Established in 1961, Christian Church Homes, <https://www.cchnc.org> [3] headquartered in Oakland, California is a non-profit organization founded as an outreach of the Christian Church (Disciples of Christ), a mainline Protestant Christian denomination that is congregationally governed. CCH has now expanded and works with a variety of religious, secular, & government organizations.

CCH has been building and managing affordable housing communities where seniors can live and thrive in the comfort of their own homes. Having served more than 100,000 seniors for over 57 years, CCH has now grown to 61 caring communities that are "More Than a Home" to residents in nine states.

After many strong and effective years as President and CEO, Don Stump is retiring, and a new President and CEO is sought to begin in the fall of 2019. The Search Committee has engaged Leadership Search Partners to assist with the search, and the complete position specification and instructions for applying (or to ask questions) can be found here:
