Mission Council ^[1]

Mission is our Business!

The regional Mission Council is the primary ministry arm of the Northwest Region. It facilitates the living out of the Missional Result Area Focus chosen biennially by the regional Common Table event. It has primary responsibility for the Regional Assembly. The Council is a nurturing forum for new program ideas as well as reflectively evaluating the effectiveness of programs. The Council seeks to move the Region ahead in ministry through networking, programming and coordination. The Mission Council employs a discernment model leading to consensus in decision making and refers to the mission as core to ongoing Regional programs.
