Transformation Ministries

Resourcing and supporting congregations in transformation is a primary ministry for the

Northwest Region.

In years past, we have encouraged region-wide programs that involved a number of congregations at once, such as Journey of Discovery and New Beginnings. While those programs provided helpful resources to some congregations, others needed something more customized to individual situations and contexts.

Currently, we work one-on-one with congregations ready for transformation to help them identify and secure the resources that best fit their needs.

Two of our **partners in resourcing congregations** are:

Hope Partnership: <http://www.hopepmt.org> [2]

Center for Parish Development: <http://missionalchurch.org> [3]

Grants are available for congregations ready to try something new in mission with and for their communities. <http://disciplesnw.org/article/grants> [4]

If your congregation is ready for a transformative journey or would like to have a conversation about possible resources, please contact the Regional Minister, Sandy Messick:
